Docket No. 98N-1265

Food and Drug Administration '99 MAR 18 10:39

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I feel that out of states specialized
compounding pharmacies are the greatest.
It's not like you can get any compounding
without a doctors prescription!
Natural hormones have helped
me tremendously and I would
not appreciate going elsewhere
